Show Regulations: This show will be run according to the Pennsylvania Interscholastic Marching Band Association (PIMBA) handbook. The complete handbook is available on the show website. This document closely mirrors the BOA rulebook.

Classifications: Classification for this event will be based on the total performers in each ensemble. This includes instrumentalists, colorguard, and drum majors. Classification numbers will be as follows per PIMBA guidelines.

A - 1-54
AA - 55-74
AAA - 75-99
AAAA - 100+

Show Format: This show is a preliminary, finals format show. All bands will compete in the preliminary competition, beginning on Saturday morning. A random draw will be held in June for all registered bands at that time. Any bands registering after June 1st will perform in the first slot in prelims.

Finals performances will be determined by the following criteria. Finals will consist of half (+1) of the preliminary ensembles, or 10 bands, whichever is smaller. (i.e. 15 prelims bands = 8 finalist bands, 20+ ensembles = 10 finalists)

The class champion bands from prelims in 1A, 2A, 3A, and 4A will all receive competitive slots in finals. The remaining slots will be filled by the highest remaining scores from prelims, regardless of class. Finals will be seeded in a “top-half,” “bottom-half” format.

This show includes a 15 minute performance slot, as well as a 45 minute warm-up period for each ensemble. Timing is the same as for a BOA show. The show flow for bands closely mirrors that of Bands of America.

Adjudication/Scoring: Adjudicators in this show will utilize the Bands of America Scoring Sheets. After judges have completed their scoring, Raw scores will be adjusted according to the following formula ($\text{Raw Score}/2 + 50 = \text{Final Score}$). This means that a band with a Raw score of a 50 would have an announced score of 75 ($50/2 + 50 = 75$). The judging panel will consist of 7 adjudicators: 2 Music General Effect, 1 Visual General Effect, 1 Ensemble Music, 1 Ensemble Visual, 1 Field Music, 1 Field Visual
