Norwin Band Aides

- ▶ The Norwin Band Aides are a 501(c)3 non-profit organization that functions as the booster organization to support band activities
- ▶ The Band Aides provide funds for all band activities not covered by the district. This includes out-of-state travel, supplemental instructors, clinicians, marching show design and equipment.
- ▶ Funds are covered by fundraising including the Norwin Band Festival and Colorguard shows, annual craft show, stadium concession stand as well as other sales based fundraising.
- ▶ Fairshare – Fairshare represents a portion of the total cost that families are asked to contribute to help offset costs related to marching band participation. This amount varies from year to year and has not been set for the 2022-23 school year. Many fundraising and volunteer opportunities are available to offset fairshare costs and many families pay nothing out of pocket.

FAQ's

- ▶ Is Marching Band Required?
 - ▶ Yes, marching band is a component of the band class. Though it is a large investment of time, most students find this time to be very rewarding. Marching band ends in late October.
- ▶ Does band/marching band “work” with other activities?
 - ▶ Yes!! In most cases, school sports and activities can co-exist with band. Fall sports require some advanced planning, but we currently have students involved in: cross country, soccer, swimming, volleyball, track, along with many other clubs and activities. Please contact Mr. Daniels if you have questions about a specific activity.
- ▶ Are students required to audition for band?
 - ▶ Brass and Woodwind players are not required to audition for admission to band, Percussion students will audition in late spring.

FAQ's

- ▶ Is there a cost associated with participation in band?
 - ▶ We ask that all families contribute their Fairshare amount to the Norwin Band Aides to help offset the cost. There are many opportunities to fundraise and volunteer to offset these costs. NO STUDENT will be denied participation due to financial concerns, we just ask that you communicate those concerns with the Band Aides?
- ▶ Will new 9th graders feel overwhelmed if they are doing marching band and taking Honors Classes?
 - ▶ We have found that honors students in band also excel in their regular academic classes. We have students at all levels, including students taking multiple AP and Honors Classes. Students will need to manage their time in the fall, but Mr. Kandrack and myself work closely with students to ensure academic and musical success.
